Stockcross is an attractive small village originally developed by the Sutton family as a model village. In August the village is staging its 5th Culture Music & Arts Festival, Stockfest 17.

Stockfest Classic Car Show with Vintage & Craft Fair is part of that festival and as an event is in its 3rd year. We are inviting people to step back in time –Classic cars, live music, bar & food on The Glebe. Beautiful vintage & craft stalls, fashions, teas & light lunches at The Village Hall. Stockcross Church & Stockcross House garden will also be open.

The event is advertised in the Stockfest leaflet and on the website with links to local media, car club and business websites to attract a wide audience.

Stockfest is a not for profit community group. Any profits are ploughed back into next year's festival or distributed to local groups and charities.
